Dear Mark:

We have completed review of your Land Utilization of Sewage Sludge Permit Renewal Application for Boeing Field. Based on the information presented and laboratory data previously submitted concerning heavy metals and priority pollutants, your 1984 Permit Renewal Application is APPROVED and the permit is attached for posting.

Department Environmental Health Specialists will be performing periodic site inspections of the operation throughout the year. If you have any questions, or would like additional information please call me at 587-2722.

Sincerely,

*Wally*
